C4VORTICEXP

C4 VORTICE XP 14' 0"

Can support expert paddlers up to 225 lbs. Hollow structure is composed of carbon fiberglass, Kevlar and epoxy resin. Ribbed design, with three longitudinal ultra-light foam spars, provides strength while maintaining a low weight.

Dimensions: 14'0" long, 26.25" wide, 25lbs. Single box fin; comes with a fin Deck pad included

C4VORTICE-14-0-BW

C4 VORTICE 14' 0" BOARDWORKS

Designed to be a "general purpose" race or touring SUP paddleboard. A light and strong paddleboard that is compatible with most intermediate to advanced paddlers, fast enough to win races but easygoing and stable enough to cruise along the coast for physical training or sightseeing.

Length: 14'0" Width: 27.25" Weight: 37 lbs Materials: Epoxy lamination with a 1-lb EPS core, sheathed with 1/8" Divinycell high-density foam Double-barrel concaves Single box fin, with rudder-type fins available for both standard and kelp conditions

C4HOLOHOLO

C4 HOLOHOLO 12' 0"

This coastal cruiser or flat water Stand-Up paddleboard was designed to enable the paddler to head off and gaze at whatever catches his or her fancy. Although it is intended as a "cruiser," the Holoholo nonetheless is up to a romp in the surf for those intermediate or advanced SUP surfers who crave the ultra-glide thrills of the ancient Hawaiian olo board.

Length: 12'0" Width: 28" Weight: 25 lbs. Fin array: single fin box. Includes a full-length deck pad Multiple inserts for attaching cargo

PC4SUB11-6

C4 PARMENTER KEAULANA SUB 11' 6"

Shaped by Dave Parmenter, this mid size High Performance Stand Up Board has the perfect blend of rocker and curves, allowing it to paddle fast and be loose in the surf. Deck pad and thruster fins are included and board bag is available.

Length: 11'6" Nose: 22 1/4" Width: 29" Tail: 18 3/8" Thickness: 4 7/8" Weight: 21.5 lbs Rounded Diamond Tail Fin Array: 9" + Future Set

C4SUB110MOOCH

C4 DA MOOCH 11' 0"

Filling the gap between our 10'6" and 11'6" models, Da' Mooch is flatter, thinner, and more foiled out than its sister C4 production boards, "Da' Mooch" is a real Teflon-hulled long-scooter for the discriminating SUP big boarder. Equally at home in lazy summer San Onofre surf, on offshore winter bomboras, or just skylarking down the coast, this model will let you 'mooch' every ounce of juice and fun from any condition.

Length: 11'0" Pintail. Width: 28.25", 3.9" Max Thickness, 2 X 1 fin set up; comes with fins. Deck pad included.

C4SUBC-MAC106ATB

C4 C-MAC ATB 10' 6"

Designed by Dave Parmenter in cooperation with (C-Mac) Charlie Mac Arthur, part surfboard, part whitewater kayak, part skateboard, the C4 Waterman C-Mac ATB is the first stand-up surfboard exclusively designed for Training, Cruising; as well as creative and radical hotdogging in the new but growing sport of stand-up whitewater paddling. New ground is broken every day at C4 waterman-----Standup paddle and start and adventure!

Dimensions: 10'6" Long, 29.5" Wide, 4.175" Max Thickness, Rocker "Classified". 2 X 1 set up; comes with fins. Deck pad included.

PC4SUB10-6

C4 PARMENTER KEAULANA SUB 10' 6"

C4SUBBKPRO10

C4 BK PRO 10' 0"

The BK Pro is the BoardWorks version of Brian Keaulana's magic 10 foot high performance stand up board. The perfect blend of rocker and curves, allows it to paddle fast and be loose in the surf. Size: 10'0"; Deck pad and thruster fins are included, and board bag is available.

Length: 10'0" Nose: 18 3/8" Width: 27" Tail: 16 3/8" Thickness: 3 7/8" Weight: 23 lbs Fin Boxes: 4 future side fin boxes 1 standard center fin box.

C4SUB99SLINGBLADE

C4 SLINGBLADE 9' 9"

Thinner and flatter than the C4 10' Classic, its soft 70/30 rails, balanced plan shape, even-tempered rocker and torque-hungry vee panels make this new model one of the most nimble and versatile of the entire C4 quiver. The C4 "Slingblade's" classic longboard shape is turbocharged with the same potent flats and edges you see on the pro's board--letting you snap into tight trim and stretch for five but also letting you slam it into high gear to whack the lip.

Length: 9'9" Soft Diamond Tail. Width: 27.375", 3.9" Max Thickness. Fin array: 2 x 1; comes with fins. Deck pad included.

C4SUBSWALLOW9-6

C4 SWALLOW 9' 6"

The 9-6 Swallow offers clean lines and high performance. Warning: This board may take your stand up surfing to the next level. Deck pad and thruster fins are included, and board bag is available.

Length: 9'6" Nose: 18" Width: 26 7/8" Tail: 17 7/8" Thickness: 3 5/8" Weight: 18 lbs Swallow-Fish Tail Fin array: 2 X 1 Fins: 2 Future side fins, one standard middle fin.

C4SUB93SUBVECTOR

C4 SUB VECTOR 9' 3"

The C4 SUB-Vector is a high-performance short stand-up surfboard designed to offer both radical turning radiuses and 'no-fail' stability to bigger surfers of intermediate or higher ability. With a progressive rocker, flat bottom, firm edges, angular boxy rails, and double-barrel inverted vee panels, the "C4 SUB-Vector" delivers sports-car-like speed and snappy handling characteristics.

Length: 9'3" Hard Diamond Tail. Width: 29", 4.25" Max Thickness: Fin Array: 5-Fin setup; convertible to quad, tri, 2 X 1 or single fin. Deck pad included.

C4SUBBATWING9

C4 BAT WING SWALLOW 9'

The Bat Wing Swallow is actually a winged bat tail with high performance rocker and compact size. This Dave Parmenter shaped 9-footer rips in the surf. The BoardWorks TEC construction makes this board light and strong. Comes with a 2+1 fin set up.

Height: 9'0" Nose: 18 5/16 " Width: 26 3/4" Tail: 16 1/4" Thickness: 3 7/8" Weight: 18 lbs Wing-Bat Tail Fins: 2 Future side fins, one standard middle fin.

ELEU XP

HOLLOW CARBON ELEU XP PADDLEBOARD

Hollow Carbon Eleu XP Paddleboard. This 12' board is C4's answer for any watermen looking for a stock racing paddleboard. Just over 10 lbs with deck pad and fin.

Hollow carbon hull EVA deck pad Vent plug Leash loop Fin included
12 feet long 22 inches wide Carbon shell 10.6 pounds dry hull weight (Just over 11 pounds with deck pad and fin)

ELEU BW

HOLLOW CARBON ELEU BW PADDLEBOARD

This 12' board is C4's answer for any watermen looking for a stock racing paddleboard. Originally designed by Todd Bradley and Karel Tresnak, the Eleu design has won more paddleboard races than any other stock board in the world. The BoardWorks Eleu is not hollow, but the T.E.C. Thermal Epoxy Compression construction makes it light and strong. Comes complete with deck pad and dagger fin.
