

NEW Stand Up Paddle Werner Nitro

plus, NEW SUP Shaft Option
Adj. 3-piece Available in All Models!

We anticipate great sales in these new models.

FOR A LIMITED TIME ...

You are welcome to add Nitros and Adjustable 3-piece paddles to your existing pre-season orders. Contact your sales rep. or call 1.800.275.3311

NITRO NEW

The Nitro's Performance Core blade is designed specifically for dynamic surfing and quick turning. The smaller blade is gentle on the joints and allows for a faster cadence. The carbon oval index shaft adds comfort, control and is light weight, stiff and durable. ABS Palm-grip provides paddle control and durability.

US MSRP: 1-pc: \$299, 2-pc: \$314,
Adjustable 2-pc: \$339, Adjustable 3-pc: \$354

Werner SUPs: Advanced Design Features & Fit Options

Create a custom fitting paddle to increase your performance, reduce your fatigue and have more fun on the water. All Werner SUPs come with either our Performance Core blade or Premium laminate blades, a light weight and durable shaft and ABS Palm-grip. Use your height and primary paddling style to determine the correct paddle length. Surfing: add 8" to your height. Touring: add 10" to your height.

Available Configurations

1-piece Shaft

- Great choice for durability & value.
- The lightest weight option.

2-piece Shaft

- Great choice for paddlers who travel with their paddle.
- Take apart with push button ease.

Adjustable Length 2-piece

- Length telescopes with 4 settings.
- Perfect for those who move between touring and surfing.

Adjustable Length 3-piece

- Length telescopes with 4 settings.
- Great choice for paddlers who travel with their paddle.
